Frequently Asked Questions

Q: My nonprofit organization's last application was declined. When am I eligible to submit another grant application?

A: Generally, the next calendar year. However, please be sure to update and strengthen the request before submitting a new application.

Q: What can I do to submit a more competitive application?

A: The Community Grants program is extremely competitive; typically, less than 20% of applications are approved every year. Please ensure that your organization's mission is strongly aligned with one of our Priority Focus Areas. We also prioritize programs that have an Umpqua Bank associate involved, especially in a leadership capacity. Before you submit another application, we expect that you have made progress on at least one of the following:

- Recruited Umpqua Bank associates to volunteer, at least episodically. If you have not been successful, please explain your efforts to engage Umpqua associates.
- If it made sense, sought Umpqua Bank associates to fill open community leadership positions (board or committee) at your organization.
- Posted volunteer opportunities through the [YourCause Nonprofit Platform](#).
- Having active conversations with us to explore ways to engage volunteer associates.

Q: Does Umpqua offer sponsorships?

A: Community Grants are the primary open, broad-based funding opportunities through the Umpqua Bank Charitable Foundation. Event sponsorship requests are facilitated by Umpqua Bank each fall to support the following calendar year. Regional leadership teams review requests from associates (employees) and determine which sponsorships will be approved; decisions are usually shared early in the calendar year. Other requests may be initiated by specific business lines throughout Umpqua Bank, but there is no public channel to request sponsorships.

Q: We had a grant writer who is no longer with the organization. How can we access the grant application history without their account?

A: We can add or replace applicants on both drafted and submitted applications. Please reach out to us at Community@UmpquaBank.com for help.

Q: I'm having issues with the Grants Connect platform. How do I get help?

A: At the lower right corner of the Grants Connect screen you will see an icon that says, "Need Assistance?" There you will get technical assistance from the Grants Connect vendor, Your Cause.

Q: I already have a Grants Connect account that I use for another funder. Can I use the same login to complete this application?

A: Yes, a single account can be used for all grantmaking foundations or companies using Grants Connect.

Q: I missed the application deadline. Can my application to be reviewed during the current cycle?

A: With the automation of our system, late applications cannot be accepted. However, your application progress is not lost. Please reach out to us at Community@UmpquaBank.com for help routing a draft application to the next available cycle.
